MAKE IT LAST

Start with fit

If a piece pulls, bags unexpectedly or prevents comfortable layering, adjust its size before committing. Check each supplier size chart.

Keep colours together

Wash similar colours together, follow garment care labels and avoid aggressive tumble drying unless the item permits it.

Use what you already own

The outfits do not depend on buying shoes or accessories from FRANKS. Your own favourites are part of the plan.

Your free piece swap

If one clothing item is not right, the FRANKS one-piece swap promise is intended to allow a similar alternative at no charge, subject to the approved exchange policy.

This is an original wardrobe-planning concept. The garment diagrams are illustrative and are not supplier photographs. Confirm actual SKUs and revise any affected looks before public distribution.
